

WPCL & PA Forward® work together for Basic Literacy!

HELPING PENNSYLVANIANS REACH THEIR GREATEST POTENTIAL

Basic Literacy is the ability to read, write, speak, and listen with comprehension at all levels of life, career, and community involvement. In other words, the functional and practical use of language in all forms and formats!

WPCL programs and resources help support Basic Literacy in our community. Whether it's Story Time or a StoryWalk®, WPCL is right there with you & your family on your literacy journey!

WPCL is proud to participate in the PA Library Association's (PaLa) statewide PA Forward® initiative! PA Forward® works to strengthen the state's libraries through education, advocacy and leadership. We encourage our patrons to visit the WPCL website, call 570-992-7934, or speak to any staff members about PA Forward® and its mission.
